### Easy to Use

iabol 2.0 is user friendly and easy to use, whether you're shipping domestic or international. The Wizard driven system will lead you step by step through configuration and set-up. Once established, new users from any location will experience the same quick and simple start up. The portal-type homepage links directly to all the key features for quick easy access.

After logging into your account, you can see real time activity- who is shipping, corporate shipping expenses and more. Administrators can set up new users, sites or carriers by following the system's prompts. Troubleshooting procedures such as reprinting labels or correcting a mis-shipment are a snap, and you can do it all- and more- with iabol 2.0.
