

Feature of the Week- 09/07/09

## U-PIC Parcel Insurance

**Are you paying too much for shipping insurance?** If you are, you'll definitely want to check out this week's highlighted Feature: U-PIC parcel insurance. Once you add the U-PIC module to your user account and enter your shipper information, you'll have immediate access to U-PIC insurance. What makes it so great?

**Shippers can save up to 85% on shipping insurance with U-PIC-** a fraction of the cost of carrier insurance. **U-PIC makes filing claims fast and easy,** and you can file by email, fax or mail and get a decision on your claim within 7-10 business days. Shippers can insure any number of packages with U-PIC with reliable coverage, and because the system is integrated with iabot, you can ship and insure all at once.

Why pay the high cost of carrier shipping insurance? Ship with the carrier you want and insure with U-PIC, quickly and easily through iabot 2.0.
