

iabol's Easy Hardware Integration 8/31

iabol makes cutting shipping costs easy with great features like low monthly cost, UPS service included free, no maintenance fees (ever!) and money saving options like U-PIC parcel insurance- but did you know that **iabol can also save your business money with its easy hardware integration?**

That's right- **most likely, the hardware you already have is all you need to use iabol's efficient, reliable shipping and label printing features.** iabol supports most computers, scales and scanners. It doesn't matter what type of computer you have, because iabol is a web-based shipping solution and conveniently has no software to install. All you need is a compatible web browser (IE 6.0 or higher- IE is required for use with dedicated label printers, Firefox 3.0 or higher and Safari)!

Other hardware iabol supports:

Barcode Scanners

Most keyboard-wedge barcode scanners

Scales

Weigh Tronix
Fairbanks
Mettler Toledo

Label Printers

Eltron*
Zebra*
Laser and Ink Jet**

*requires special label stock

**label pouches may be required
